A Trousdale Living Community

All Your Needs

At Friendship Village, we feature two living-space options: Comfortable and convenient Independent Living cottages and apartments with modern amenities and a variety of floor plans, and spacious 1 and 2 bedroom Assisted Living apartments. Both options include access to recreational activities, workshops and services, in addition to full 24-hour-a-day access to dedicated, professional staff care for our Assisted Living residents.

The 24-hour long and short-term nursing care at Friendship Village is delivered by highly trained, compassionate caregivers who focus on quality of life. Retirement-living and care encompasses clinical, spiritual, emotional and social needs, so our dedicated activities department ensures every resident lives and enjoys an active and healthy schedule of available activities daily.

At Friendship Village, we fulfill all our resident's needs so they can live happy, fulfilling lives.

Rehabilitation & Skilled Services

Friendship Village helps our patients and residents achieve their independence goals while providing the best therapeutic services. Our large on-site rehab gym is utilized for in- and outpatient physical, occupational and speech therapy, all delivered by our professional in-house rehabilitation team.

Resident Care

Friendship Village provides multiple levels of resident care: In addition to **Long Term Care**, we offer **Independent Living**, for those who want to live life to the fullest. **Assisted Living** provides just the level of care needed for a resident to maintain independence safely and happily. We offer **Respite Care**, because all caregivers deserve a break to recharge. **Memory Care** provides compassionate services for those with Alzheimer's and other dementias.

We provide specialized **Palliative Care** for patients with serious illnesses to improve their quality of life. Finally, **Hospice Care** focuses on a patients' comfort and ensures their time remaining is quality time lived with dignity and surrounded by love and compassion.

All Our Hearts

We believe with all our hearts that everyone under our care deserves to be treated like family. As such, we partner with physicians and family members to develop each health care plan based on each person's unique, specific needs. We provide extensive levels of skilled services, including Pain management, Enteral nutrition, Intravenous therapy (IV), wound care and even on-site social worker services. Our operational vision focuses on people, purpose, care and community. As such, our residents and patients deserve and receive the most compassionate professional care we can provide. All Your Needs.
