All Your Needs.
All Our Hearts.

Heartland

A Trousdale Living Community

All Your Needs

Heartland Country Village is a Skilled Nursing Facility and offers semi-private rooms for short-term and long-term care needs. The 24-hour long and short-term nursing care is delivered by highly trained, compassionate caregivers who focus on quality of life. Patient care encompasses clinical, spiritual, emotional and social needs, so our dedicated activities department ensures every resident lives and enjoys an active and healthy schedule of available activities daily.

At Heartland Country Village, we fulfill all our resident's needs so they can live happy, fulfilling lives.

Rehabilitation & Skilled Services

Heartland Country Village helps our patients and residents achieve their independence goals while providing the best therapeutic services. In addition to Physical, Occupational and Speech therapy, we offer specialized services for those in need of Ostomy care, IV therapy, BIPAP/CPAP/Oxygen therapy, Parenteral and Enteral nutrition, Respiratory therapy and wound treatment.

Resident Care

Heartland Country Village provides multiple levels of resident care. In addition to our **Long-Term Care** options, we offer **Respite Care**, because every caregiver deserves a break to recharge. We provide specialized **Palliative Care** for patients with serious illnesses to improve their quality of life. Finally, **Hospice Care** focuses on a patients' comfort and ensures their time remaining is

quality time lived with dignity and surrounded by love and compassion.

All Our Hearts

We believe with all our hearts that everyone under our care deserves to be treated like family. As such, we partner with physicians and family members to develop each health care plan based on each person's unique, specific needs. Our operational vision focuses on people, purpose, care and community. As such, our residents and patients deserve and receive the most compassionate professional care we can provide. All Your Needs. All Our Hearts.
