We have a full staff of physical, occupational and speech therapists available. We specialize in 24-hour, long and short-term nursing care, as well as respite care. Our clinical staff is trained in infection management, wound care, Intravenous therapy (IV), and more. For recovery, healing and rehabilitation, we're here for you.

At Madisonville Health and Rehab, we fulfill all our patient's needs so they can meet their goals and live fulfilling lives.

Rehabilitation & Skilled Services

Madisonville Health and Rehab's on-site clinical and rehabilitation team helps our patients and residents achieve their independence goals while providing the best therapeutic services. Our on-site rehab gym provides in- and outpatient physical, occupational and speech therapy services that improve outcomes. We even have a program that helps patients who have returned home make the adjustment safely and successfully.

Resident Care

Madisonville Health and Rehab provides multiple levels of resident care: We offer **Respite Care**, because every caregiver deserves a break to recharge. **Long-Term Care** options are flexible based on rehabilitation and recovery times. Finally,

Palliative/Hospice Care focuses on a patients' comfort and ensures their time remaining is quality time surrounded by love and compassion.

All Our Hearts

We believe with all our hearts that everyone under our care deserves to be treated like family. As such, we partner with physicians and family members to develop each health care plan based on each person's unique, specific needs. We provide extensive levels of skilled services, including enteral nutrition, IV therapy, tracheostomy care, wound care and respiratory therapy. Our operational vision focuses on people, purpose, care and community. We truly feel that our residents and patients deserve and receive the most compassionate professional care that we can provide. All Your Needs. All Our Hearts.
