All Your Needs.
All Our Hearts.

Waynesboro

A Trousdale Living Community

All Your Needs

At Waynesboro Health and Rehabilitation Center, resident health care encompasses not only clinical needs, but also serves their emotional and social needs as well as spiritual well-being. We have a full staff of physical, occupational and speech therapists available. We specialize in 24-hour, long and short-term nursing care. Our clinical staff is trained in wound care, IV therapy, Enteral Nutrition and more. For recovery, healing and rehabilitation, we're here for you.

At Waynesboro Health and Rehabilitation Center, we fulfill all our patient's needs so they can meet their goals and live fulfilling lives.

Rehabilitation & Skilled Services

Waynesboro Health and Rehabilitation Center's clinical and rehabilitation team helps our patients and residents achieve their independence goals while providing the best in therapeutic and nursing care. Our on-site rehab program provides inpatient physical, occupational and speech therapy services to support our residents in achieving the best outcomes possible, and our skilled nursing team provides state of the art care, medication management and wound care services that help our patients recover from illness and injury. Our Smooth Transition program ensures patients return home equipped and ready to get back to the life they enjoy safely and successfully.

Resident Care

Waynesboro Health and Rehabilitation Center provides multiple levels of resident care: We offer **Respite Care** because every

caregiver deserves a break to recharge. **Long-Term Care** options are flexible based on rehabilitation and recovery times. We provide **Palliative Care** for patients with serious illnesses to improve their quality of life. Finally, **Hospice Care** focuses on a patients' comfort and ensures their time remaining is quality time surrounded by love and compassion.

All Our Hearts

We believe with all our hearts that everyone under our care deserves to be treated like family. As such, we partner with physicians and family members to develop each health care plan based on each person's unique, specific needs. We provide extensive levels of skilled services, including Enteral nutrition, Intravenous therapy, Tracheostomy care, Wound care and more. Our operational vision focuses on people, purpose, care and community. We truly feel that our residents and patients deserve and receive the most compassionate professional care that we can provide. All Your Needs. All Our Hearts.
